# INDEX TO VOLUME 3

PAGE

**A**

Aboriginal child health, changing patterns in, a survey in Queensland (abstract) ... 213
———— children, nutritional studies of Australian (abstract) ... 220
———— infants, lactose digestion and breast feeding — a nutritional survey in Australian (abstract) ... 210
———— paediatric population, a survey of respiratory problems in an (abstract) ... 213
Aldridge, R. T. and Campbell, P. E.: Ganglion cell distribution in the normal rectum and anal canal. A basis for the diagnosis of Hirschsprung's disease by anorectal biopsy (abstract) ... 215
Aldosteronism, a case of (abstract) ... 211
Alexander, G. and Mills, S. C. Non-esterified fatty acids and glucose in the plasma of newly born lambs, effect of environmental temperature (abstract) ... 219
Amino-acid, urinary and serum, studies in premature and full-term neonates ... 1
Anderson, C. M. ... 155
———— *see* Hadorn, B.
———— *see* also Johansen, P. G.
———— *see* also Phelan, P. D.
Antibody, antilymphocyte preparation, recovery and in vitro assay of purified (abstract) ... 218
Archer, D., *see* Glass, R. D.
Askey-Doran, P., *see* Clarke, A. C. L.
Asthma, seasonal wave of, a geographical comparison ... 173
Asthmatic, nasal columnar cell exfoliation, the effects of infection and allergy ... 181
Australian Paediatric Association:
Proceedings of the 12th annual meeting ... 209
Abstracts of papers ... 210

**B**

Beveridge, H., *see* Chauvel, P. J.
Biddulph, J., *see* Gracey, M.
Birth weight and gestational age in an Australian hospital population, relationship between ... 29
Blaikie, A. G., *see* Colebatch, J. H.
Blood folate assays, serum and, clinical value of (abstract) ... 219
Bowring, A. C., Kern, I. B., and Jones, R. F. C.: The use of Tween 80 in meconium ileus (abstract) ... 210
Bronchiolitis, artificial ventilation in the management of respiratory insufficiency in acute ... 233
Burke, V., *see* Noblett, H. R.

**C**

Campbell, P. E., *see* Danks, D. M.
———— *see* also Aldridge, R. T.
Cartledge, J. McP.: Strangulated inguinal hernia in the neonatal period ... 196
Cerebral palsy, a neuro-developmental approach to the treatment of ... 73
Chauvel, P. J. and Beveridge, J.: A case of aldosteronism (abstract) ... 211
Chloramphenical and reversible haemopoietic toxicity (abstract) ... 214

PAGE

Chyloperitoneum, use of a medium chain triglyceride diet in ... 66
Clark, A. C. L., Roche, D. A., Norton, N. E., Askey-Doran, P.: Studies of erythropoietin in the newborn (abstract) ... 219
———— *see* Colebatch, J. H.
Colebatch, J. H., Blaikie, A. G., Clark, A. C. L., Jones, D. L., Lee, C. W. G., Lewis, I. C., and Newman, N. M. Cyclic drug regimen for acute childhood leukaemia (abstract) ... 214
———— *see* Jack, I.
———— *see* also Taft, L. E. *et al.*
Congenital rubella, dermatoglyphics in 50 adults with (abstract) ... 218
Connelly, J. F., see Hopkins, I. J. *et al.* ... 211
Correspondence: Hand and foot dermatoglyphics in a patient with the sex chromosome complement XXYYY ... 153
Court, J. H.: The significance of abnormal glucose tolerance in childhood ... 60
Cystic fibrosis, pancreozymin-secretin test of exodrine pancreatic function in, the significance of the result for the pathogenesis of the disease ... 8
————, hypothesis, the nature of exocrine gland dysfunction in (abstract) ... 211

**D**

Danks, D. M., Campbell, P. E., Kennedy, J. C., and Taft, L. I.: The mucopolysaccharidoses and mental retardation (abstract) ... 213
———— *see* Taft, L. I., *et al.*
Dawson, A. G., *see* Hopkins, I. J., *et al.*
Derrick, E. H.: Seasonal waves of asthma — a geographical comparison ... 173
Dey, D., *see* Owen, E. R.
Diabetes mellitus, further evidence of insulinopathy in (abstract) ... 216
Diarrhoea following gastro-intestinal surgery in neonates — observations on aetiology and management (abstract) ... 210
Dodge, E. A. and Lowe, A. K.: An experimental approach to the quantitative analysis of the renogram ... 274
Dods, L.: As it was in the beginning ... 204
———— *see* Menser, M. A., *et al.*
Dorman, D. C., see Kenrick, K. G.
Dreher, G. H., *see* Schumacher, M. J.
Dugdale, A. E.: Child health in Malaysia (abstract) ... 212
Dyslexic child, the paediatrician and the (abstract) ... 211

**E**

Edmonds, R., *see* Propert, N. N.
Edwards, P., *see* Hewstone, A. S.
————, R., *see* Propert, D. N.
Ekert, H., *see* Taft, L. I., *et al.*
Elliott, R. B.: Further evidence of insulinopathy in diabetes mellitus (abstract) ... 216
———— and Kneebone, G. M.: Lactose digestion and breast feeding, a nutritional survey in Australian Aboriginal infants (abstract) ... 210

PAGE

——— *see* Maxwell, G. M.
Endocarditis, bacterial, due to Moraxella lacunata ... 69
Erythropoietin in the newborn, studies of (abstract) ... 219
Exomphalos, clinical and experimental (abstract) ... 215

F

Fitzgerald, D. and Kitchen, W. H.: The influence of maternal ethnic origin and pregnancy complications on birth weight ... 110
Foster, K. H., *see* Jack, I., *et al.*
Fowler, R., see Simons, M. J.
Freeman, M. L.: Histamine-combining protein (plasma-pexin) in normal and allergic sera (abstract) ... 216
——— *see* Phelan, P. D., *et al.*
Friend, J. C. M.: Macroglossia, umbilical hernia and infantile hypoglycaemia (abstract) 212

G

Galal, O. M., *see* Rudd, B. T., *et al.*
Glass, R. D., Archer, P. D.: Nasal columnar cell exfoliation in the asthmatic; the effects of infection and allergy ... 181
Glucose tolerance, significance of abnormal, in chlidhood ... 60
Goller, I. and Williams, A.: Selectivity of proteinuria in nephrotic children ... 271
Gooch, P. M., *see* Gracey, M.
Gracey, M. and Biddulph, J.: Clinical aspects of malaria in Papuan children ... 115
——— and Gooch, P. M.: The use of a medium chain triglyceride diet in chyloperitoneum ... 66
——— and Fitzgerald, M.: Hand and foot dermatoglyphics in a patient with the sex chromosome complement XXYYY ... 153
Gray, N. J., Grutzner, J., Jack, I., Uren, E. C., and Williams, A. L.: Neonatal virus infection (abstract) ... 212
Grutzner, J., *see* Gray, N. J.

H

Hadorn, B., Johansen, P. G., and Anderson, C. M.: Pancreozymin-secretin test of exocrine pancreatic function in cystic fibrosis and the significance of the result for the pathogenesis of the disease ... 8
——— *see* Johansen, P. G.
Hagger, T. D.: The paediatrician and the dyslexic child (abstract) ... 211
Harley, J. D., *see* Harper, M. A.
——— *see* also Menser, M. A.
Harper, M. A., Robin, H., and Harley, J. D.: Transient infantile cyanosis in a diaphorase-deficient male ... 144
Head circumference, length and placental weight of infants in an Australian hospital population ... 105
Henchman, D. C. and McIntosh, A. J.: A cretin with jaundice requiring exchange transfusion ... 203
Hernia, strangulated inguinal, in the neonatal period ... 196
Herrin, J., *see* McCredie, D. A.
Hertzberg, R., *see* Menser, M. A., *et al.*
Hewstone, A. S. and Edwards, P.: Bacterial endocarditis due to Moraxella lacunata ... 69
